

Case Study #1031 | Police Athletic League Backpack Giveaway

August 2, 2025 – With little fanfare ...and so it began. MiniCourt officially entered Backpack Giveaways by participating in Palatka Police Athletic League's Back-To-School Backpack & Clothing Giveaway.

What seemed like a pretty much uneventful day was seismic and game-changing for students not only in Palatka Florida but across the United States and around the world. "Living notebooks" have officially arrived...

Special thanks to Tobby Williams of the Palatka Police Department.

"How can we REALLY affect math deficiencies, low test scores, declining writing skills and ghastly reading levels? ...One student at-a-time ...One community at-a-time"
